

Top Public High Schools in NYC 2019

In a city where only an average of *37% of public high school graduates are deemed ready for college, the high school admissions process may be more crucial than the college admissions process. To best position your child for college and career success, it is important that they attend a high school that prioritizes college readiness. Out of 435 public high schools in NYC, these 50 schools listed below boast an impressive college readiness rate of 80% and above. The search for a high-quality public high school education starts here.
